

Rower

- Seat lock offers enhanced stability when getting on or off the rower
- Ergonomic contours of the seat makes intense training sessions more comfortable than ever
- Adjustable, backlit console makes it easy to set your training goal and measure your results
- High-quality cord is paired with a long aluminum rail reinforced with stainless-steel strips to stand up to a steady stream of users in the busiest exercise environments
- Heel cups include quick release buckles that let users quickly get off the rower, ideal for circuit training
- Compact footprint offers easy placement virtually anywhere in your facility
- Clearly defined quick keys provide instant access to sprinting, distance rowing and high-intensity interval training programs
- Brushed aluminum flywheel with 10 precise magnetic resistance settings offers challenge to first-time users and experienced rowers alike
- Can be tilted up to minimize footprint, and built-in wheels make it easy to roll the rower into storage or to a new place on your circuit training floor
- Long, reinforced handle includes a comfort-enhancing over-mold that allows both large and small users to comfortably pull stroke after stroke
